

## NAME/STONE -

★ Original quote is based on measurements given. You will be notified of any differences.  
EST. SQ. FT. ACTUAL SQ. FT.

★ Payment terms are as follows:

**50% Deposit due at booking--25% due at Templating--25% due at Installation**

Final payment must be cash or check the day of installation. Credit card payments must be made in advance so that authorization receipts can be signed at installation.

\*\*Specific payment terms may apply to certain SALES or SPECIALS\*\*

★ **Existing countertop removal is a \$200 fee.**

**- COLOSSUS does NOT dispose tops**

- Uninstall existing tops - Cut Tops to 48" lengths - Water valve to be shut off by customer

★ SEAMS are determined based on numerous variables.

- Size of slab -Material -Job site conditions
- Although you are invited to view material as to how it is going to be cut, COLOSSUS does retain the right to decide final layout and seam placement

★ BE TEMPLATE READY.

- Clear countertops off prior to our arrival.
- Sink, faucet, and cooktop on-site
- Be aware of existing countertop deficit, floors, supports, walls and discuss solutions
- If you have FARMHOUSE sink, it must be installed prior to template.

★ BE INSTALLATION READY.

- IF COLOSSUS is removing existing tops please refer to TOP REMOVAL SHEET
- Existing tops to be removed and cabinets to be level upon our arrival.
- Any voids that need to be filled to make cabinets level will be treated with shims between top of cabinet and granite
- Customer is responsible to cover void with trim or molding.
- Parking for 1 COLOSSUS truck
- Area surrounding Colossus truck needs to be clear since it will be used as a work station where field cuts are made.
- Walkway and work area clear
- Cabinets can not have been adjusted in any way since making the template (ex: sheetrock, panels, molding, etc.)
- Appliances must be moved out of the way before we arrive for the installation.
- Sink base cabinet cleared of any debris
- Faucet on-site at installation. Faucet placement \_\_\_\_\_

★COOKTOP-

- Have on-site at template to ensure proper fit.
- Remove any cabinet tracks inside cabinet

★**Colossus is not responsible for bowed or bellied walls pertaining to backsplashes**

★ Dishwasher brackets are supplied and installed by Colossus Granite & Marble.

★ Natural stone is prone to certain characteristics such as pits, fissures, veining, etc. Inspect any stone you choose to be aware of it's color as well as finish.
